Special Instructions: ☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐

The Wine Society of India, through its Four Seasons Wine Discoveries programme, arranges for the supply of exceptional quality wines at modest prices sourced from all over the world, including India, as selected by our independent Board of Wine Advisors, chaired by Steven Spurrier, the world-famous wine authority.

A shipment of 6 bottles of wine is reserved for you every three months. Whether you choose to take a shipment is entirely up to you. If it doesn't appeal to you, or you have too much wine at that time, just inform us. Otherwise, it will be delivered to you by a partner licensed retailer.

Full membership benefits of The Wine Society of India, as well as invitations to wine tasting events and all other services, will be made available free of charge **when you take a minimum of 2 shipments of wine per year**.

☐ Yes, I would like to become a member of The Wine Society of India by enrolling in the Four Seasons Wine Discoveries programme, and **I understand that every 3 months I will be informed of the next Four Seasons Wine Discoveries shipment, which I will automatically receive unless I request otherwise**.

- I undertake to inform The Wine Society of India by SMS, e-mail or phone if I **do not** wish to receive any quarterly shipment.
- I understand that I will be notified at least 10 days in advance by printed newsletter, e-mail copy and SMS of the full details, **including price** of the next Four Seasons Wine Discoveries shipment.
- I will be charged between Rs 5,000 to Rs 10,000 for this delivery; final price will depend on the best price negotiated in the marketplace, but is guaranteed to be lower than MRP. All wines are sold and delivered through licensed retailers.
- I reserve the right to cancel or modify my commitment at any time, or return any wine that fails to please for a full refund or replacement.

☐ Yes, please send me the current shipment, and call me with the details.
